Dear Families,

During the week you would have received a survey asking for your feedback on the teaching, learning and management of Reynella South School. The results of this survey help us to understand community perspectives about what we are doing well, and what we could do better. Please take the opportunity to participate in our continuous cycle of improvement by returning the survey by Friday (or Monday at latest).

I’d also like to remind you about the notes that have been sent home inviting expressions of interest for group instrumental music lessons (eg drums, guitar) and development of a school soccer team in 2017. Please see Marcia if you are interested.

Many thanks,

Jo

PREMIER’S READING CHALLENGE

The Premier’s Reading Challenge is a statewide incentive for students to read 12 books over the course of the year. At Reynella South students encourage each other to complete the challenge as part of our House Team competition and captains presented awards to the 76% of our students who met this goal in 2017.
END OF YEAR CONCERT DETAILS
5.00 – 5.45 - BYO PICNIC TEA
5.50 – SEATED IN HALL
6.00 – CONCERT BEGINS
7.30 (approx.) CONCERT ENDS

Dress for students: if possible please have students in dark lower half (black or navy) and plain, solid coloured T-shirt or Xmas shirt. Tinsel is OK. No big antlers etc. as it blocks view of children who are behind when on stage.

PROGRAMME COVER COMPETITION
All children are invited to take part in the cover design competition. Entries need to be on A4 size paper and be original work of the student (no copying or pasting of other people's ideas!) Please submit finished design to the front office by Wednesday of week 8. They will be displayed in the office for voting on the Thursday and Friday of week 8 and the winning entry will be the cover of the programme. Get creative.

The South Australian Public Primary Schools’ Choir

Anita Barnes

WEEK 5 ATTENDANCE
Last week Room 5 and Room 2 both exceeded the goal of 95% attendance. Well done Rooms 2 and 5! Research shows that attendance at school is linked to better academic, social and emotional outcomes for students. If you are having difficulty with your child attending school and arriving on time, please speak to a member of staff, so we can work together to improve their attendance and engagement at school.

CONGRATULATIONS HACK!!!
The winning house team this year is HACK! This year students have worked hard to earn points for their house team. Students earned points for their involvement in Sports Day, the Premiers Reading Challenge, Reynella’s Got Talent and for 100% attendance and arriving at school on time. Most importantly, students earned points for upholding the schools values of Care, Learning, Respect and School Pride! The final scores were very close, Fisher 544, Light 564, Morphett 565 and Hack 547. The last points for arriving on time and attending school each day in week 5, is what took Hack to the lead. The winning team will be attending a half day excursion next Wednesday at a local park to celebrate, well done to everyone!
