ACQUAINTANCE NIGHT

What a fabulous night it was at our Annual Acquaintance Night! It was very pleasing to see so many parents, carers, children and young people experiencing all the learning spaces across both the Morphett and Fisher buildings. There was a buzz around the school as families enjoyed activities together that were based on our learner dispositions of resilience,

reflectiveness, resourcefulness and social awareness. It was also a great opportunity to meet the outstanding teaching staff at Reynella South School. Thank you to the Student Leaders who provided exciting activities for the children, the teachers who helped with the barbecue and those who helped to serve the delicious and cool watermelon.

Following the visits to the classroom, families were invited to attend the Annual General Meeting. This meeting was quite well attended and I am pleased to announce the Governing Council members for 2018:

Amanda Rooney, Janelle Thomas, Alice Nicholson, Claire Howell, Emma Pitman, Elle Young, Amy Kennedy, Corrine Salt, Stephanie Burns, Geoff Wright, Jasmine Catros and Naomi Batt.

Thank you for connecting with our school and we look forward to the partnership between school and the parent community making Reynella South School even better!

Welcome to Brodie Wright who is our Student Journalist for the year. Brodie is looking forward to reporting all of the exciting events that happen around the school from the students' perspective. Look out for his first article in the Week Four Newsletter!

*Kind Regards,
Karen*

PARKING

Welcome families and friends of Reynella South School, hope everyone is looking forward to another exciting year.

We hope new families are settling in well and look forward to meeting you. Just a friendly reminder about parking around the school, as I'm sure you have all noticed it can get very busy on Sherriffs Road at drop off and pick up times. If you are able to use the side roads connecting to the oval (Elizabeth St, Vista Court or View St), that may help reduce congestion.

We have discussed the parking issues at Governing Council in the past and will continue this year. We would welcome any fresh ideas that could help us solve this situation.

COLES SPORTS FOR SCHOOLS PROGRAM

Coles is once again running the Sports for Schools Program. For every \$10.00 spent at Coles, customers will receive one Sports for Schools voucher. These vouchers can be placed in the collection bins in the school. We have one in the Front Office and another in the Preschool. The school will be able to order sports equipment to the value of the vouchers received. The promotion will run from Wednesday, 7 February until Friday, 15 June, 2018. Start collecting!

ALLERGIES

Reynella South School provides a learning environment that is inclusive of all children and their families, underpinned by our values of *learning, care and respect*.

Please be aware that some of our children have anaphylactic allergies to foods including nuts and eggs. The school's nut awareness policy requests that parents do not send food to school that contains nuts, including products such as:

- peanut paste products
- peanut/satay sauce
- 'Nutella'/chocolate spreads
- nut biscuits
- crushed nuts on cakes/buns
- baklava or other nut pastries
- nuts in salads
- muesli/nut bars
- nougat
- peanut cooking oil

Thank you in advance for your role in supporting us to keep all children safe. If you have any queries, please don't hesitate to contact your child's teacher or a member of Leadership.

MONDAY, 12 FEBRUARY, 2018

In the Music Room, families developed **social awareness** by becoming puppets and puppeteers of each other.

In Room 2, families developed **resilience** while attempting to juggle.

In the Indonesian Room, families developed **resourcefulness** as they explored wonderful Indonesia using playdough and maps.

In Rooms 4 & 19, families developed **resourcefulness** by noticing, wondering about and questioning details in pictures.

Reynella South School Dispositions Trail

... the path for powerful learners!

In Room 5, families developed **resilience** while playing dice games.

In the preschool, families developed **resilience** while building tall towers!

In Rooms 17 & 20, families developed **resourcefulness** by attempting to solve puzzles.

In Room 3, families developed **social awareness** by making chatterboxes together.

Dispositions of Powerful Learners

Social Awareness

- We **communicate** and treat everyone with **respect**.
- We **listen** to each other and value **diversity**.
- We **support** each other.

Reflectiveness

- We **think** about and **reflect** on what we do.
- We **take responsibility** for our learning and use **feedback** and **self-talk** to improve and grow.
- We are **open minded** and know that **mistakes** are part of learning. We ask questions to **challenge** our thinking.

Resourcefulness

- We **wonder**, we are **curious**, we **explore**, we think **creatively**.
- We are **flexible thinkers** and strive for **independence**.
- We are **problem solvers**.

Resilience

- We **manage** our emotions and take **responsibility** for ourselves.
- We seek **challenge**, we are **resilient**, we **persevere**, and we **manage** distractions.
