As a KIDSMATTER school we aim to make a positive difference as a whole school community.

The KIDSMATTER action team work together as a group of teachers, parents and students to develop strategies and practices aimed at promoting a safe and supportive school environment. This group has been responsible for making stronger connections within our school community through the school soccer, the development of the nature play space and the relentless whole school focus on improving children and young people's wellbeing. KIDSMATTER schools, like Reynella South School, take action to be a positive community that is founded on respectful relationships and a sense of belonging and inclusion.

Next Friday, 16<sup>th</sup> March is Bullying No Way day! As a nurturing community of active learners, Reynella South School, prides itself on supporting the children and young people in the school community to know what bullying is and know what to do about it if it happens. The anti-bullying focus reinforces the school values that relate to respect, care and learning. It also is communicated to everyone that bullying is never

okay. On Friday we will be taking a stand together against bullying! Please join us!

*Kind Regards,  
Karen*

## P.E. IS CRICKET THIS MONTH!

Starting in week 3, a man named Tom in Milo Cricket came to our school to teach us cricket skills. He has taught everyone how to hit the cricket ball with the cricket bat. He also taught us how to throw the ball correctly and catch with one and two hands.

### LESSON 1

In lesson one Tom taught us to throw and catch. We started off by being in student-chosen pairs, one student had a ball and was a little distance away from their partner and threw the ball, and their partner caught it with two hands and threw the ball back.

### LESSON 2-3

In lesson two and three we just worked on hitting, throwing and catching. Lesson three we played a game of continuing cricket. We cannot wait to see what happens in Lesson 4.

## VALUES RECOGNITION AWARD

The following students received a Values Recognition Award recognising outstanding behaviour, action and learning at Reynella South School at yesterday's Assembly.

**Maddi** for being brave by talking to a trusted adult when experiencing a problem that she needed help with.

**Austin** for being brave by talking to a trusted adult when experiencing a problem that he needed help with.

**Tiarna** for approaching all aspects of preschool with enormous enthusiasm and a sense of unique joyfulness.

**Georgia** for her positive sense of responsibility and her consistently high level of involvement in a wide variety of activities, including those that offer challenge.

**Brock** for being brave and explaining his thinking to the class.

**Cam** for showing resilience and supporting other students while working on power point projects.

## **ATTENDANCE**

Being at school every day is very important for both academic achievement and building relationships!

## **REMINDER**

Just a reminder that on Wednesdays dismissal time is 2.45pm.

## **FUNDRAISING ANNOUNCEMENT**

Last year we raised over \$4,000 through our fundraising program, and we are pleased to announce that we have just submitted the orders for a 3D printer and a number of ipads using this money. The ipads will be set up with software that supports students to go through a design thinking process and print the 3D item they have designed right here at school! We look forward to sharing this learning with you!

## **EASTER RAFFLE**

Please keep the donations of Easter goodies coming so we can offer 10 prizes again this year! Tomorrow, each family will receive a book of 10 raffle tickets to sell at \$1.00 each. The raffle is drawn at our Easter Assembly on 29 March amidst great excitement from the children. Raffle books are due back by Wednesday 28 March. Thank you for your support

## **ELECTION DAY FUNDRAISING**

This is our major fundraiser for the year and offers a unique opportunity to bring money in from outside of the school – up to \$2000! However, this can only be achieved if we have help from parents to prepare, cook and serve the food as well as managing the stalls selling plants and baked goods. We are so grateful to the people who have indicated that they are willing to provide this support, and ask that you consider offering:

- baked goods for sale on Election Day (please deliver to Reception on Friday 16 March).
- Plants, seedlings or cuttings for sale
- Brand new items for the 'gift raffle'
- Pre-loved books, toys, homewares etc for Year 7 Trash'n'Treasure stall
- Your time to assist on the BBQ/stalls

Please contact Jo Meredith, Janelle Thomas, Amanda Rooney or Marcia at Reception to let them know how you can help – every small bit makes a difference in our goal to improve learning for our students

## **FINANCE NEWS**

WINDOW OPEN - 8:30AM – 3:30PM MON- FRI

SCHOOL FEES 2018 - \$235.00 DUE BY END OF TERM 2

PRESCHOOL TERM 1 FEES DUE: \$80.00

## **HARMONY DAY**

Reynella South School strives to support positive relationships for all students and their families, and the next fortnight includes two special days to highlight this priority. **Bullying No Way! Day** is on Friday, 16 March and **Harmony Day** is Wednesday 21 March. Students; remember to wear something orange on Harmony Day to show your support! House Leaders will be providing free orange wrist bands under the vines, before school on Harmony Day.

# STEM AT WIRREANDA

On the 31<sup>st</sup> of February the year sevens and the year sixes in room 20 went to Wirreanda Secondary School for STEM (Science Technology Engineering Mathematics). There were other schools like Morphett Vale East Primary School and other schools. There were no year eights and up to year twelve because they had sports day.

The task was to make a life jacket that would save lives. There were different programs that we could use like TinkerCAD, Construction, App making, Video recording and buoyancy.

In construction you had to make a design of your life jacket and label everything on there. On TinkerCAD you had to make a 3D Design of your life jacket.

People made life jackets that had a mask with the life jacket, A boat with the life jacket, a GPS inbuilt with it, when you fall in the water and stay in the water for a long time it called a life guard and there was one that you had to scan to put on.

I really enjoyed the day and what I loved the most was doing the STEM and working on the computer.
