## BAGUS! TERIMA KASIH!

What an exciting time at Reynella South School last Wednesday! The school was a sea of red and white as we celebrated Indonesian Day! All children and young people were involved in engaging and exciting cultural experiences including cooking, music, dancing and shadow puppets. The day concluded with a celebration of our Indonesian learning at assembly. Thank you to Bu Kate for organising a great day of celebration, to all the school community who supported the activities and to all of the children and young people who approached the hands-on learning with such excitement!

Our Reynella South School community welcomes our new ACEO (Aboriginal Community Education Officer) Milly Sumner. Milly has already connected with a number of our Aboriginal and Torres Strait Islander children and young people and their families.

We look forward to working with Milly this year.

*Kind Regards,  
Karen*

## GETTING TO KNOW A TEACHER

### JO MEREDITH:

Jo has been working at this school for 9 years but overall she has been teaching for 15 years. The first school Jo taught at was Ceduna Area School. In Jo's first years of teaching she was called Mrs Meredith.

## GETTING TO KNOW AN SSO

**ELISE FAZZARI:** It's Elise's first month of helping at our school. Elise first helped out at Concordia School. In her first years of helping she was called Ms Fazzari.

## VALUES RECOGNITION AWARD

The following students will receive a Values Recognition Award recognising outstanding behaviour, action and learning at Reynella South School at the Assembly in Week 6 .

**Rocky** for his positive approach to learning and for always being inclusive of others in his play.

**Lola** for supporting her sister Ivy so sensitively when she joined Kindy Club and for being really brave in having a go with some challenges this term.

## CHILDREN'S UNIVERSITY

Jo will be ready to stamp passports and hand out forms before school on **Tuesdays in weeks 5 and 6** instead of Mondays. It is very exciting to see a growing number of children and young people have qualified to graduate at Adelaide University because they have documented more than 30 hours of learning in their Children's University passports!

## FATHERS' DAY

This Fathers' Day we acknowledge the valued relationships our children and young people share with significant men in their lives. We extend kindness and compassion to all members of our community, knowing that this special day can be difficult for some.

## BOOKWEEK: FIND YOUR TREASURE

Our Book Week celebrations kick off this Friday with our visiting performance *Red Riding Robin Hood*. Next week, our House Leaders will be running a Treasure Hunt at lunchtimes, treasured books will be displayed in the School Office, and we hope everyone will dress up for our special assembly on Wednesday at 9:30am in the hall.

## FUNDRAISING

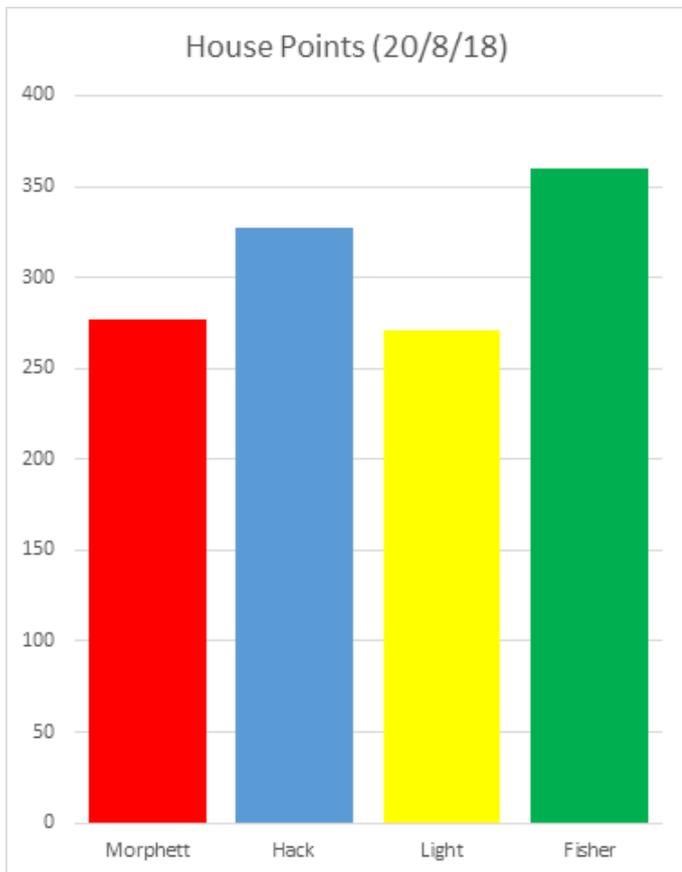

'Centember' will begin in Week 7, where classes will battle it out to see who can collect the most 5c pieces during the month of September. House leaders will also lead their teams to explore some of the mathematical concepts in their house team meetings on Wednesday in week 9. The class who collects the most 5c coins by our final Term 3 Assembly will be rewarded with a pizza party on the last day of term!

The Subway lunch deal last term was so popular that it is returning in Week 8 so remember to submit your order before 10 September.

Thank you to everyone who purchased socks as part of our fundraiser, generating \$169.28 for the upgrade of learning environments in the Fisher building.

## HOUSE POINTS

Children and young people are earning points for their house team by dressing up for Book Week or cheering on the House Basketball Competition on Fridays at lunchtime! Fisher has the lead but all teams are in reach of winning the half day excursion/incursion in Term 4!

*Jo Meredith*

Lewis from Room 19 has been so captivated by his learning about bugs, he went home and recruited his family to join him in creating a huge lifelike model of a spider with incredible detail - just for the love of learning! Congratulations Lewis!

## SCHOOL MAGAZINE

This year each class has spent time designing a cover for the school magazine. Each class voted for one design to be submitted to the community to vote on to be this year's magazine cover. All members of our school community are invited to vote on which design they would like to see featured on this year cover.

All designs are displayed on the pin up board in the fisher building near the stairs.

Voting will take place online using Survey Monkey by following this link

<https://www.surveymonkey.com/r/2K9JZH2>

Please note only one vote per person will be accepted.

**Thank you**

**School Magazine Committee**

## SCHOOL CLOSURE & STUDENT FREE DAY

School closure day is the 3<sup>rd</sup> of September; OSHC will **NOT** be open on this day.

The 4<sup>th</sup> of September is a student free day and OSHC will be open on this day.

## WAYS TO HELP MANAGE WORRY

The third strategy is to help your child manage worry is 'Coach children to tolerate and manage anxiety themselves'. Anxiety is something that we all experience at some point, however for some children and adults, anxiety can become more debilitating and have a negative impact on their life.

One of the things we can do to help children is to ask about how they have successfully managed worries in the past and help them to practice these strategies. We can also work with them to develop strategies to help them manage worry as it comes up. These strategies may include, calm breathing, calm self-talk statements (I can cope with this because..... This is not terrible because.....), relaxations strategies (muscle tightening and releasing, mindfulness), social support (talking with friends), exercise and focusing on other activities (i.e. learning, games with friends and family etc) instead of thinking about the worry over and over.

Continuing to think about worrying thoughts leads to more worry. Your child finding out what strategies help them feel less worried is important, and may change depending where they are. It may be helpful to write down the helpful strategies, so that your child can keep them with them and refer to them if they become worried.

If you have any questions or would like more ideas for strategies to help your child manage their worry, please come and see me.

## SOCIAL WORK STUDENTS

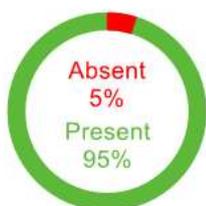

This term we have had two Social Work students from Flinders University beginning their placement with us until the end of the year. Terry and Wanlin will be involved in many ways across the school. Some of the activities they will be involved in include breakfast club, working in classrooms, working with small groups, drumbeat groups and with individual students. They will also be connecting with some families and working on wellbeing projects across the site. Please make sure to say hello as you see them in the yard.

Thanks

**Tracey Middleton, Student Well-Being Leader**

## ATTENDANCE

Being at school every day is very important for both academic achievement and building relationships!

## SOCCER

On behalf of the School Soccer Teams, we would like to thank everyone who attended the Bingo Night and we are excited to share that we raised \$1,100 on the night.

We started this soccer journey last year with practically nothing in the soccer shed and limited knowledge as what to do or how to set this up, but thanks to all your support over the last 2 years we have come so far, including new soccer tops that were purchased at the beginning of this year. Our goal this season was to raise enough money to replace the old goals on the oval, and get some Under 10 sized goals and update the under 6 and 7 goals. Between this fundraiser and the Bunnings BBQ on Sunday 23<sup>rd</sup> September, we are confident we will achieve this.

Thanks again to everyone for your support.

## PULL UP YOUR SOCKS DAY!

On Friday the 17<sup>th</sup> August, 2018 we interviewed people about Pull Up Your Socks Day

Charli: I am wearing soccer socks and they are red. I chose these socks because they are long. If I did not wear these I would wear my spotty socks. I think Pull Up Your Socks Day is about standing up for yourself and being a leader.

Freya: I chose toe socks. I chose them because they are only silly socks and they are comfy. If I did not wear these I would wear my ankle socks. I think Pull Up Your Socks Day is about getting busy and working hard.

Jessie: I chose black socks because I forgot it was Pull Up Your Socks Day. I would wear normal socks if I did not choose these.

# Indonesian Day

On Wednesday the 15<sup>th</sup> of August we celebrated Indonesian Day. The date was significant because it was also the time that Indonesian Independence Day is celebrated in Indonesia. It was a fun-filled day with many hands-on experiences for everyone!

We interviewed some of our school community about how they felt about this special Reynella South School celebration.

Matthew D: "My favourite activity was the unklung workshop. When I came to school I felt good and after all the excitement of the activities, I felt happy. I would not change anything about Indonesian day."

Bobbi: "My favourite was the food. It was delicious! I would change the unklung work shop to a shorter period of time. And I liked the shadow puppets."

Saphira: "My favourite thing was the dancing. When I came to school I felt nervous but I really enjoyed participating. I would change the food so we can have more. And I really enjoyed the shadow puppets."

Rooms 19 and 20 went to an Unklung performance and they got to play *Walzing Matilda*, *Happy Birthday* and *You Raised Me Up*. Many classes also made shadow puppets. The entire school met up at the hall and every class showed their learning about Indonesia.
