01.07.20 Friday Fitness Club Term 3 (Year 3-7)
01.07.20 Children's University Winter Challenge Activities

IT'S BEEN A TERM TO REMEMBER

Although this term has presented unprecedented challenges it has also highlighted the positives throughout our school community. We have created a number of successful new ways of connecting with our community from classroom to home. The Facebook Families page continues to build connections with families and has been the platform for new ways of sharing learning and the events that are happening around the school in a more personable way. The *Reynella South News* has been an absolute highlight for all in the school community and we all look forward to upcoming episodes. Seesaw and Google Classroom have also provided an insight into the learning that happens in classrooms. One of the other positives is the new procedure of teachers bringing their classes outside of the buildings at the end of the day. This has helped with the end part of the day for classes as well as teachers and parents/carers having the opportunity to connect with each other and check-in if necessary. I believe that these new connections have added value to our community and we look forward to taking these positive changes into Term Three.

At this stage, as a State, we are in hopeful territory to move forward with the phases of restrictions easing. We are still guided by SA

Health and the Department for Education but at this stage the following activities will resume from the beginning of Term Three:

- Assemblies with parents/carers invited, at this stage, with strict social distancing requirements
- House Meetings
- Limited SAPSASA Term 3 events
- Fitness Fridays - parents/carers will not be able to attend to watch
- Lunchtime Activities
- Learning Club
- Community Sports – Soccer and Basketball practices, with a bridge to competition on advice from the Associations

We all look forward to Term Three and reinvigorating the positive connections with all in the school community for the benefit of RSS children and young people.

Enjoy the time with your children over the next couple of weeks and we look forward to seeing you all again on Tuesday 21st July.
Keep safe and healthy

Kind Regards
Karen

A Nurturing Community of Active Learners

A WRAP UP OF TERM 2

In Term 1 the Corona Virus came which meant that all our sports had to stop, which made most of us extremely devastated. We thought that we wouldn't be able to play the sports that we missed for the whole year, but we were wrong. A few weeks ago, we got informed that the sports are going to be held in Term 3 which was really exciting news for all of us even the Junior Primary because now the School Soccer is on and they have even sent out notes for it on the parents' emails. We are all really keen to get back into our sports and just can't wait.

Another awesome news came, we will be having House Meetings in Term 3 so remember all the House Leaders are expecting your Premiers Reading Challenge to be done in order to get those House Points. We can't wait until Term 3 to see you again.

*Asifa and Kaylee
House Leaders of Morphett*

THANKYOU AND GOODBYE

We would like to say Thank You to our Semester One Social Work Students, who have been here at Reynella South School on placement. Quynh and Aries have gone out of their way to do all that was expected of them and much more! They have both been excellent role models for the students at RSS and have worked hard to establish good relationships with the Students and Staff. They have certainly left their mark on all of us and we will miss them. We wish them luck with the rest of their studies.

*Tracey Middleton
Well Being Leader*

TERM THREE PLANNER

The Term Three Planner will be sent in an email following the Newsletter. In this digital age, we thought that most of you would prefer a copy of it on your phone or tablet. If you would like a paper copy please contact the Front Office.

Karen Mooney

FINANCE NEWS

Anita Barnes

CANTEEN

Thank you to Mia Walters's mum, Alisha for volunteering to collect school lunches on Wednesdays from Reynella Primary. Also thanks to Amanda Rooney for her continuing support of collecting lunches on Thursdays. It is very much appreciated by Office Staff, Karen Mooney and myself.
